

Andrew Tsuro

Redefining Leadership in Africa

CORPORATE MASTER OF CEREMONIES

WRITTEN BIOGRAPHY

Andrew Tsuro is a corporate MC who brings executive gravitas and energy to the room while keeping the programme's purpose in view.

He keeps the programme moving with purposeful transitions, connecting speakers and conversations to the event's objective while respecting the audience's time from opening to final handover.

Through Andrew Tsuro & Associates, his corporate hosting draws on coaching, leadership and facilitation. He listens closely, reads the room and responds to changes in pace, energy and programme demands.

Zandile Skosana of FASSET describes "an excellent presence on stage".

The programme should feel coherent to the audience, with its purpose clear and each contributor given the attention their part deserves.
