

Andrew Tsuro

Redefining Leadership in Africa

LEADERSHIP AND COMMUNICATION

WRITTEN BIOGRAPHY

As Southern Africa's 44th District Director, Andrew Tsuro led the district to Smedley Distinguished status and fifth place in the world in 2022–2023.

Under Andrew's leadership, his team grew the network across 12 countries from 256 to 275 local branches, ending 2022–2023 with Toastmasters' largest club network worldwide.

Taking office at 26, he was the region's youngest District Director. That service is part of his wider commitment to Redefining Leadership in Africa.

Today, through Andrew Tsuro & Associates, he works with executives, leaders and teams on clearer thinking, communication and accountability. He received the Aletta Rochat Legacy Builders Award for leadership development in 2025.

His challenge to Toastmasters audiences is to carry learning beyond the meeting and let it change how they communicate, decide and lead.
